afbe TRANSITION

Bridging education to employment for future engineers

AFBE CAREER TRANSITION PROGRAMME

Bridging education and employment

AFBE Transition brings students and recent graduates closer to the world of work. Through university and employer partnerships, participants gain practical recruitment experience, career insights and meaningful connections with engineering professionals.

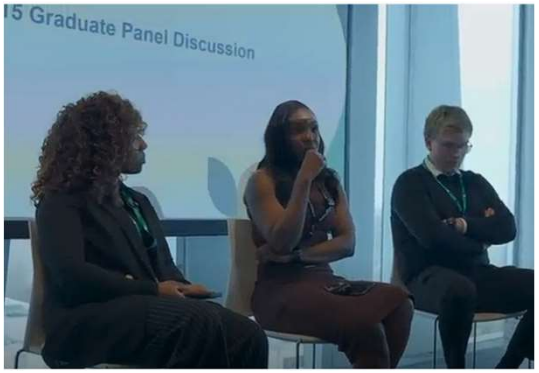
TRANSITION

Bridging education to employment for future engineers

ABOUT TRANSITION

The AFBE Career Transition Programme helps students and recent graduates move confidently from education into employment. Events are delivered with universities, corporate partners and prospective employers, combining industry insight with practical preparation for recruitment.



WHAT TO EXPECT

01 **KEYNOTE TALKS**

Industry leaders share career insights and professional journeys.

02 **GRADUATE PANELS**

Recent recruits discuss applications, early careers and progression.

03 **MOCK INTERVIEWS**

Practice interview technique with feedback from professionals.

04 **ASSESSMENT CENTRES**

Experience group exercises and recruitment-style tasks.

05 **CV CLINICS**

Improve applications, presentation and career readiness.

06 **CAREER ROADSHOWS**

Meet multiple employers and explore opportunities.

WHAT PARTICIPANTS SAY

"Networking and insight into the industry. Loved the interview and group assessment session. Taught me a lot."- Subsea7 Transition Event - Oct 2026

"It helped a lot with the understanding of more about groupwork and interviewing process as well as what to expect while applying to jobs" - LSBU Student - Mott Macdonald Transition Event at LSBU - Mar 2025

"The Key takeaways from the event was feedback from my CV, understanding of group activity and what is expected at assessment centre." - WSP Transition Event - Nov 2024
